SPEAKER NANCY PELOSI AND DEMOCRATIC MEMBERS OF THE UNITED STATES HOUSE OF REPRESENTATIVES:

As progressive organizations, labor unions, and advocates representing millions of members across the country we stand united in our commitment to deliver President Biden's full Build Back Better agenda – including both the Build Back Better Act using the reconciliation process as well as the Infrastructure Investment and Jobs Act.

Together these two legislative packages will make essential investments in infrastructure, jobs, care, climate and a path to citizenship, and would put our country on a path to real, equitable recovery – and to deliver on the commitments that secured a Democratic House, Senate and White House in the last elections.

As the House approaches potential votes, we stand united with members of the Congressional Progressive Caucus and urge all House members to vote for the bipartisan infrastructure bill (IIJA) only after the Build Back Better Act is passed and sent to the President's desk.
